ARCHIVAL SERVICES

Lossless Tape Open (LTO) data tape has emerged as the new standard in media preservation. A single LTO cartridge can hold over 20 hours of uncompressed video and has an estimated shelf life of over 30 years.

LTO archive service begins at \$300: which includes an LTO-6 data tape cartridge and upto 1-Terabyte (TB = 1,000 GB) of data migration. After the initial TB of data has been migrated, each additional Gigabyte transferred is \$0.15/GB.

LTO cassette recovery service: Flat rate \$225 / LTO cassette

MEDIA DUPLICATION

DVD to DVD \$7 per copy / Blu-ray to Blu-ray \$25 per copy

COMPILATIONS

From tape sources: cost of dubbing each title to Quicktime + \$50 hourly editing fee.

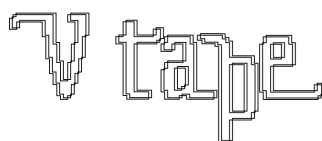

From digital file sources: A \$100 setup fee + \$50 hourly editing fee.

TURN AROUND TIME

Standard orders require 10 business days (2 weeks) to complete.

RUSH ORDERS

Any order needed in less than 10 business days will incur a rush fee.

**Rental pricing DOES NOT include device set-up, installation, testing or file encoding services.

Vtape offers exhibition support for arts organizations through museum quality exhibition equipment at low rental prices. Vtape does not offer technical support for exhibition mounting, installation and/or testing.

Package rental rates available at reduced prices.

Please email tech@vtape.org for booking inquiries and price quotes.

CONDITIONS FOR RENTALS:

All rentals require a VISA, AMEX or Mastercard for security. All rentals must be paid at time of pickup.

Vtape accepts VISA, AMEX, Mastercard, cheque and cash payment.

PA System includes a deluxe custom rolling hinge-top case.

Pickup hours are between 1- 3pm. Returns must be before noon. Late returns will result in additional charges.

The renter is responsible for the safe return of the equipment and will sign a letter of agreement to that effect.
